## JEC COMPOSITES WORLD 2017

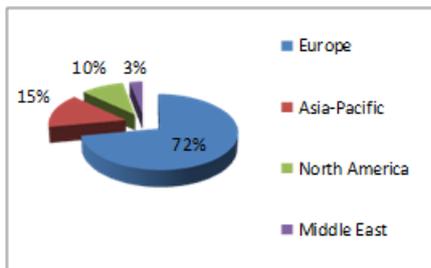

### PARIS FRANCE

### MARCH 14-16

**JEC Composites World 2017** is the largest show in the world dedicated to composites. The entire value chain of the composites industry meets in one place each year for 3 days. The show is the right place to develop business (more than 900 BtoB meetings organized). In 2016, around 120 conferences and 35 technical presentations took place at the Villepinte Exhibition Center in Paris. <http://www.jeccomposites.com/events/jec-world-2017>
